Psychiatric Association Conference

April 6-9, 2021

The Western Psychiatric Update is one of the nation’s leading conferences in the field, providing comprehensive state-of-the-art information on the psychopharmacological, treatment, and management of psychiatric disorders.

The four-day conference attracts more than 2,500 attendees from across the United States, Canada and abroad, as well as a panel of experts showcasing cutting edge products and services.

The conference is presented by the Western Psychiatric Association, an official district branch of the American Psychiatric Association.

The conference offers 32 CME credits and 32 AACN credits. Program and offers are subject to change, and the final agenda will be announced in early February 2021.

Who should attend

• Psychiatric Nurses
• Nurse Practitioners
• Primary Care Physicians
• Psychiatrists

Other healthcare professionals who treat patients with mental health disorders who will contact their local licensing and certification boards to determine if the conference meets their continuing education requirements.

Hot Breakfast and Lunch

Delicious breakfast and lunch, plus morning and afternoon refreshments, are included in your registration fee.
